REPORT OF BOARD OF TRUSTEES OF THE TRINITY SCHOOL.  
TO THE BIG BEAR CREEK ASSOCIATION:-

Dear brethern:

The Trustees of the North Alabama Baptist Collegiate Institute and Normal School would make their 8th annual report to your body. It will be remembered that we informed you in our last report that the school had been removed to Mountain View, near Trinity. The last session closed in May with an enrollment of 64. Our commencement exercises closed very creditably to both teachers and pupils. On the 14th of June last, the Trustees elected Rev. A. G. Sprisks as President of the school, Dr. Shackelford having declined a re-election; Prof. Sprisks accepted and public notice was given of this through the newspapers. The Trustees were very hopeful that the school would take on new life under the leadership of our new President elect, and that its patronage for the next session would be much larger.

Arrangements had been made with Dr. Shackelford to take the field, and work for pupils, and also raise money to erect another building, and to procure school appliances which were much needed, as all our Maps, Globes and Charts and other school helps, were burned at Danville with our house—he was appointed general agent for the school. On the 10th of September, just one week from the time the school was to commence its 9th session, the trustees met to receive the resignation of Prof. Sprisks, which had been handed to a member of the board a few days before that, the time was too short to look around for a teacher, and the board asked Dr. Shackelford if he would take the school. Realizing the situation, he agreed to do so, and the board agreed to help him, and do what they could for the school, no one has been out working for the school during the vacation, the result has been a small opening, we trust that the number of pupils will increase, and we confidently believe that it will. The trustees have been disappointed in the support which the baptist have given to this Institution. We are setisfied that we have a good school. Our teachers are first class. We have a most

healthy and accessible location; our rates of board and tuition are very moderate, why do not our baptist people patronize it? We have never had but one student from Bear Creek Association, we urge the ministers of your association to speak a word for the school, and send us some pupils. The board is gratified to inform your body that Colbert Association, at its last session, agreed to join us and co-operate with us in supporting the school, it appointed a member of the board of trustees. This board desires to get every association in North Alabama to co-operate with us and be represented on the board. This school was intended for the baptist of North Alabama and we want them to feel that it is their school, and they can exercise control over it, in the appointment of trustees. We trust your body will appoint trustees who will attend at least the annual meeting of the board. The time of two members of the board of trustees expires at this session, namely: B. H. James and —— we do not know who the other is, because we have not been favored with a copy of your minutes for 2 years; the names we have on our catalogue is as follows: B. H. James, appointed in 1897-1900, I. J. Roggers 1897-1900, J. T. Bolding 1895-98, Rev. J. S. Stockton 1895-98, Dr. M. W. Daily 1896-99, Rev. J. R. NeSmith 1896-99; by our charter the trustees hold their office until their successors are appointed; will your body please fill vacancies at this session.

Respect. Sub'mtd.,

J. G. Orr, Pres.

Jos. Shackelford, Sec'y
